President's Message ...

Hello wood turners,

I hope that everyone is healthy and safe from the coronavirus, and that you share my optimism about the future: the weather is warming, Spring is around the corner and the virus appears to be getting under control. On the latter, I hope that as you qualify, you are looking to get vaccinated. There are now a number of opportunities in our area, including the clinics being held by the Baxter Regional Medical Center, local pharmacies and at area Walmart stores. You are now automatically eligible if you are over 65 years old. I hope that this all leads us to be able to meet in person in the next few months.

In the meantime, we will be having our March meeting online via Zoom. I will send out the invitation and access code before the meeting. Please join us and show what you have been turning. Those who participate in the Show and Tell will have their names put in an instant drawing for a

\$10 gift certificate.

Ron Ufkes will be doing a demo on how to prepare and turn a laminated bird. This is a great project for both newer and more advanced turners, and the results will impress your family and friends.

Please send in your dues for 2021. Most members are eligible for discounted dues for this year. Dues can be sent to Darcie Didden at 46-2 Doral Court, Mountain Home, AR 72653. If you have questions on your dues amount, call Darcie at 870-404-3711.

Please contact me if you have any questions or comments, or want to place an item on the meeting agenda. I hope to see you all at our meeting on March 13th.

Ed Boiteau, President

Club News

From the Treasurer

Membership dues are due the first quarter of the year and we have quite a few outstanding to date. The majority of members only owe \$10.00, but feel free to call me and find out what your amount is based on what you paid last year. I sure hope everyone continues to support the club and by paying your dues, you will continue to receive the newsletter and any special blast emails that go out. I hope to see you on Zoom and until we can all meet again face to face, stay safe.

February Show & Tell

There were five members who participated in the February show & tell. Some of the pieces were in last month's newsletter and one individual gave his bowl away before securing a picture. So we only had two to highlight for the month.
