Wednesday Shop Day

Kenneth Higgins has his shop open every Wednesday starting at 9 a.m. come by and get help with your projects. Text or call him at 870-405-7283 to let him know your coming.

Kenneth is planning a session to make pen blanks for the VA. He's gotten a supply of tubes in and during the January meeting will schedule a FULL work day to configure VA pen blanks.

New Members

Welcome new member Mary Myers!

Mary grew up in South Dakota and moved to Arkansas in 1977. She lived in Jonesboro until two years ago when she retired and moved to Henderson, Arkansas. She has been doing woodworking for many years, but didn't touch a lathe until 3 years ago. She wants to learn everything she can about turning, including: safety, sharpening tools, proper tool choices and uses, and finishing pieces. She is still working part time, but plans to stay active doing what she loves to do and that is making things out of wood.

President's Message ...

Dear OWT members,

I hope everyone had a safe and enjoyable Holiday and survived the Artic Blast.

The club and I would like to thank our outgoing President Ed Boiteau and Secretary Darcie Didden for their hard work and contributions over their years of service. Also a Big Thank You to all officers, demonstrators, and those who help set up and clean up.

I will be counting on all members for help in 2023!

At the January meeting we will have a show and tell followed by a meeting. I have several things up for discussion..

The demo will be on lathe basics. Focusing on:

- ◆ How to get started with tenons
 - ◆ tenon removal
 - ◆ chucks and when to use them
- These basics may seem repetitive to some but after talking to other members I think it would be worthwhile for a refresher.

Hope for a good turnout, see you on January 14th!

Steve Wagner, President

The Ozark Woodturners Club recently donated \$500 to support the Central Arkansas Veterans Healthcare System Wood Lathe Pen Turning Program, a program that the Club helped to develop in 2014 to benefit the veterans at their Community Living Center in Little Rock.

The Club previously provided handi-capped accessible lathe equipment, pen turning supplies and training. To date, hundreds of recovering veterans have participated in this rehabilitation program and have turned thousands of pens and other items.

Pictured are Ed Boiteau (L), President of the Ozark Woodturners, and Dallas Hensley, the Club veterans coordinator.
