Ozark Woodturners News

- **Craft Fest**—Ozark Woodturners will participate in the Fall Craft Fest November 22nd and 23rd. The club will have two tables. All are asked to donate pieces to be sold with proceeds going to the club. You can bring your donations to the October or November Meetings. VA pens will also be sold.

President's Message

I was impressed with the plywood challenge. Members always come up with different ideas shapes, sizes, and techniques. Thanks to all who did the challenge. If you have ideas for the next challenge, please let us know.

I had an order for three hearts to be out of the same wood. I have not turned any for over a year. I called Linda for some advice and she sent me the pattern, 10 hearts later I decided to do a demo.

I had a call from a fellow turner from Canada. He said he was going to be in the area and hoped to attend the next meeting. So, I guess we can say we are an internationally visited club.

Hope to see you at the October meeting *Steve*

Meeting Minutes September

Officers Present: Steve Wagner, President; Dallas Hensley, Vice President; Linda Moore, Treasurer; Sandy Lord, Secretary, Rich Lindner, Librarian

Members Present: 30

Guest: Terry Nance from Russellville

Announcements:

Paul Moore will be selling 50/50 tickets today.

Linda announced that Craft Supply has donated five \$10 gift certificates which will be used for show and tell prizes in the future.

Show and Tell Plywood Challenge:

Beautiful, varied and unusual items were shown by the nine members who rose to the challenge (see newsletter for details). Most explained the difficulty they had and admitted they probably won't do this again. Steve and Paul won first and second places and were awarded \$20 gift certificates.

Show and Tell Regular:

Many interesting items were shown including a rough edge vase, a top with a built in launcher, a hollow form, and several beautiful bowls. (see newsletter for names, photos and descriptions.

Demonstration:

Phil Wiles demonstrated the use and sharpening of a bowl gouge. Many members were able to get first hand instruction from Phil, a real treat indeed!

Fifty/fifty: Linda Moore won the 50/50 prize of \$77.

Meeting Adjourned

Respectfully Submitted: Sandy Lord, Secretary

September Demonstration

Phil Wiles demonstrated how to use a bowl gouge so that you have minimal sanding when you're finished turning. He then worked with members of the club to assist them at the lathe with attaining those skills.

Phil emphasized for those final cuts to:

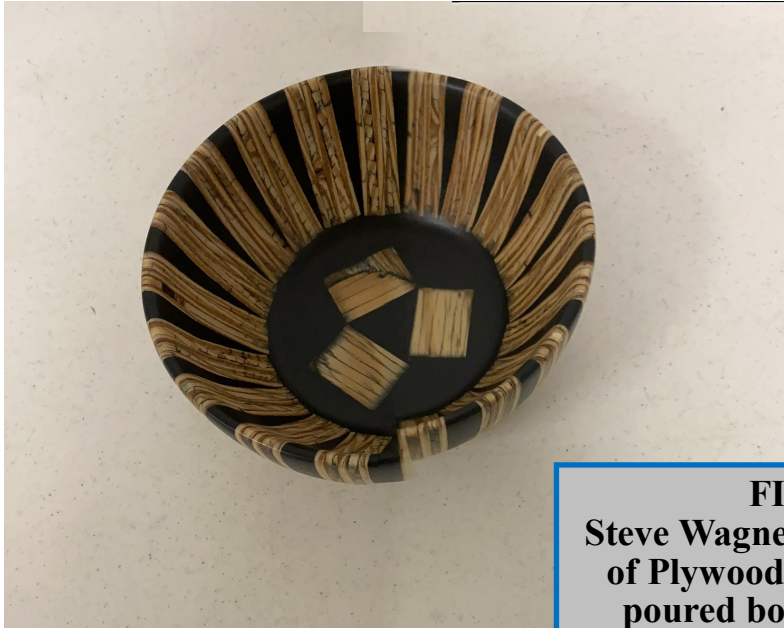

- Use ONLY Sharp Tools
- Ride the bevel
- To clean small imperfections using a shear cut
- Move your body not your feet
- You're looking for feather shavings
