President's Message

Hey, let's get things started for 2025! I will be showing the process of mounting a piece on the lathe using either a mortise or tenon joint. We'll discuss the benefits of each and then show/discuss multiple ways to remove the tenon.

We will have an auction of donated items during the January meeting, there will be 2 lathes available. Both are in excellent condition. Both lathes will remain at my house till sold. If you want to see any items to be auctioned contact me @ 870-425-7678. Other items to be auctioned will be pen blanks, tools, pen kits, several pen mandrels, spirit stains, ect. One last item: The Beall Pen Wizard System. This will take your pens to a new level. The price tag on the Beall Pen Wizard box is \$295. Look it up online there are several videos available .

Hope to see everyone at the January meeting.
