PRESIDENT'S MESSAGE

Hi All:

I'm sure that you all know that our Sept. 8 demo by Andy Hilton was cancelled, but you may not know why. A tornado struck his area and destroyed his shop and equipment. He felt bad about having to cancel, but will contact us when he is back in operation and perhaps we can have him next year.

Don Scarborough has brought our website up to date. Our gallery page is years out of date. I know we have turned new items that deserve to be shown. Take a photo of your turnings (or have someone else do it) and forward it to Don so that he can get it in the gallery.

Woodturning Display at Baxter Co. Library

The library has given us a nice display case for our turnings. We would have liked to have it closer to the time of our show in December, but some one else beat us to the November slot. I think we already have our reservation in for next year. Take a little time to visit our impressive library and check out the display.

See you Saturday.,
